## pet insurance to the rescue

Cats get sniffles. Dogs eat rocks. And every six seconds a pet parent gets a vet bill for over \$3,000.‡ Good thing there's Petplan. If your dog or cat gets sick or injured, Petplan helps pay those unexpected vet bills.

## your pets come first

That's why we make it easy to get the care they need—regardless of cost. Just take your pet to a licensed vet in the U.S. or Canada and submit a one-page, pre-filled claim form (or you can send it from your smartphone using the Petplan App). That's it. We'll send your reimbursement directly to you in just a few days.

## policy benefits

vet expenses	Choice of \$2,500 to unlimited
coverage	Treatment of all accidents and illnesses*
deductible	Choice of \$100 to \$2,500
reimbursement	Choice of 70%, 80% or 90%

## coverage you can count on

Petplan never asks you to pay more for the comprehensive coverage your pets deserve. That's why our policies cover cancer, chronic and hereditary conditions as standard. So you can focus on your pet's care, not your budget.
